The NUL Parents' Committee is composed of representatives of parents of registered students of NUL. The main objective of the NUL Parents Committee is to voluntarily advise, assist and support the NUL Management and the University at large on a range of initiatives and programmes that concern students' academic and welfare matters. The Parents Committee was elected by parents and guardians on the 9<sup>th</sup> September, 2017 at the Parents' Meeting which was aimed at engaging parents as key stakeholders in the students' education and life at NUL.

The goal of this initiative was to strengthen the students' journey throughout their time at NUL. During meetings and special events, Committee Members will have the opportunity to develop relationships with students, faculties, staff and campus leaders.
