

NATIONAL UNIVERSITY OF LESOTHO

NOTICE

MATHEMATICS BRIDGING COURSE FOR BSC PROGRAMMES

The National University of Lesotho invites applications for a bridging course from candidates who wish to pursue degree programmes in the Faculty of Science and Technology, Faculty of Health Sciences and Faculty of Education but have attained symbol “C” in LGCSE Mathematics, which is below the minimum requirement.

Programmes which require symbol “B” or better to which candidates may apply to are;

- Bachelor of Science - General
- Bachelor of Science - Education
- Bachelor of Science - Computer Science
- Bachelor of Science - Information Systems
- Bachelor of Science - Statistics
- Bachelor of Pharmacy (Honours)

The University will offer a bridging programme in Mathematics for candidates who meet all entry requirements for the above programmes except for Mathematics from the **6th June, 2019 to the 5th July, 2019.**

Interested candidates should follow the normal application process by accessing and filling application forms that are available from the Admissions Office at Roma and IEMS Campus in Maseru.

Candidates who had already applied before and meet the above requirements do not need to re-apply but should indicate whether they still wish to be considered.

The closing date for submission of applications is **Friday 31st May, 2019** at 1630hrs.
