NATIONAL UNIVERSITY OF LESOTHO

OFFICE OF THE REGISTRAR

NOTICE TO NUL COMMUNITY

REF/ REG/ADM1.75-2020/12

RE-OPENING OF THE UNIVERSITY DURING LOCKDOWN

At its 375th Special Meeting held on Friday, 8th May, 2020, the Senate of the National University of Lesotho met to consider the prescriptions of the Public Health (COVID-19) Regulations 2020 (Legal No.41 of 2020). Regulation 5(2) provides that “Technical and Vocational Education and Training (TVET) and Tertiary Institutions shall resume classes.” The University is therefore to decide on the manner in which academic work may continue.

Having considered the restrictions imposed by the Public Health (COVID-19) Regulations, Senate made the following decisions:

1. The University shall re-open for staff to come to campuses from Monday 11th May, 2020 to carry out its core activities and provide services to clients.

2. Deans, Directors and Heads of Departments should ensure that their teams comply with the COVID-19 Regulations at all times.

3. When coming to work and while on duty, staff members must wear face masks and observe social distancing and sanitize when they board the commuter buses and at their work stations, in compliance with COVID-19 Regulations.

4. Students will continue to study on-line with the full guidance and support from their lecturers. Only students with special permission from the University (through the Director of Students Affairs) shall be allowed to enter the campuses.

5. Students will be advised by their respective Faculties and Institutes on how their academic work will be assessed.

6. A revised Almanac of Events will be circulated in due course.

Thank you.
