

NATIONAL UNIVERSITY OF LESOTHO

## **NOTICE TO NUL COMMUNITY – October 26, 2021**

---

### **NOTICE REGARDING STUDENTS' DESTRUCTIVE BEHAVIOUR**

This morning, NUL students went on rampage and started destroying the University and public property without informing SRC or Management about their grievances.

Director Safety and Security and his team are trying to put the situation under control.

NUL Community is informed that the Vice Chancellor has instructed students to vacate the University premises by 3:15pm, this afternoon, till further notice.

Staff Members are advised to exercise caution and note that they expected to continue with their normal University activities including online teaching.
